

FAMILY DENTISTRY

Financial Policy

Methods of Payment

We accept the following methods for payment on your account:

- 1) Cash or Check
- 2) Dental Insurance
- 3) Visa, MasterCard, Discover
- 4) CareCredit (allows extended payment)

For treatment that is over \$300, a 5% courtesy will be offered when paid in full by cash or check the day service is initiated. This courtesy does not apply to partial payments or credit card payments. Charges not paid at this time are due upon receipt of your statement.

Insurance

As a courtesy, we will bill your insurance company for you if provided with all the proper billing information. Dental Insurance is a contract between you and your insurance company. We are not party to this contract. In order to do this, we will require your complete insurance information. While we are happy to help you to the best of our ability, after we bill your insurance, it will be your responsibility to contact your insurance company with questions regarding reimbursement, deductibles, or any disputes regarding their reimbursement.

Estimates

We can provide an estimate of treatment costs after your initial visit, which will include a breakdown of our fees. We can submit your treatment plan to your insurance for a more accurate estimate of coverage. We would like to emphasize that these are "estimates." Should additional unforeseen problems or complications arise as treatment progresses, you will be kept informed. Any portion of your treatment costs not paid by your insurance becomes your responsibility.

We reserve the right to charge your account 2/3 the scheduled appointment fee for any appointment that is cancelled or changed with less than 48 business hours notice.

I have read this policy and understand that, regardless of any insurance coverage I may have, I am ultimately responsible for payment of my account.
